

Refund Policy

Written notification of the intent to discontinue classes received before the 15th of the month will make that current month your last payment for tuition. Notification after the 15th of the month will require the following month's tuition due. BDC requires sufficient time to process the refund. This policy will be in effect for the months of September through January of our season. However, please note that no refunds will be given after February 1st for *tuition or costume deposits*. With this in mind, notification must be received in the office on or before January 15th to receive a refund for the remainder of the current season (February -June tuition and 2nd costume deposit). For notification received between Jan 15th-31st, February tuition will still be due (March - June tuition will be returned). Costume deposits are processed on October 15th and January 25th. In the event of a withdrawal, BDC must receive written notification on or before October 1st to receive a refund of both deposits, and January 15th to receive a refund for the second deposit only. Once the deposit has been cashed, it is *non-refundable*. Refunds for costume deposits are subject to a \$25 administration charge. After February 1st and for the remainder of the season, no refunds will be offered. In the unlikely event that you do not intend to finish the season, please adhere to the dates listed above and notify us in advance.
